MAYOR AND CITY COUNCIL

Pat Moeller – Mayor

345 High Street, 3rd Floor
Hamilton Municipal Building, 45011
Phone: 785-7040 Fax: 785-7051

The Hamilton City Council considers and acts on all matters of governmental or utility operations, which involves the establishment of policy decisions and/or the enactment of legislation. The Council adopts legislation pertaining to the expenditure of money, the levying of assessments, establishment of traffic regulations, approval of the City's annual budget and all other matters of governmental nature. Since the water, electric, gas and water reclamation utilities are all municipally owned and operated in Hamilton; Council also acts on all matters involving the establishment of policy, expenditure of monies and establishment of rates for these utilities.

The Hamilton City Council is the direct representative of the citizens of the City of Hamilton. Pursuant to the provisions of the Hamilton City Charter, the City Council is comprised of six members elected at large for staggered four-year terms. The Mayor is separately elected for a four-year term. The Vice Mayor serves two years and is that Council member who receives the highest number of votes in each Council election. By Charter, these part time positions are paid a salary of \$300 per year, with the exception of the Mayor's position.

Hamilton City Council meets every second and fourth Wednesday of the month at 6:00 p.m., in the City Council Chambers, 1st floor of the Hamilton Municipal Building.

Vice Mayor:	Eric Pohlman
Council Member:	Robert Brown
Council Member:	Carla Fiehrer
Council Member:	Timothy Naab
Council Member:	Michael Ryan
Council Member:	Susan Vaughn
City Clerk:	Nick Garuckas

City of Hamilton Directory

CITY MANAGER

Joshua A. Smith, City Manager

345 High Street, 4th Floor, Suite 410

Hamilton Municipal Building, 45011

Phone: 785-7000 Fax: 785-7010

The City of Hamilton operates under the Council-Manager form of government established in 1926. The City Council serves as the legislative body, establishing policy and creating laws, while the City Manager is responsible for the administration of the City departments.

As Chief Executive Officer for the municipality, the City Manager is responsible for a work force of more than 700 permanent employees and a \$200+ million budget. The City Manager is also the Safety Director for the City and is responsible for police protection provided by a force of over 100 full time professionals and a fire protection service staffed by more than 100 full time fire fighters.

The seven-member Council, which is elected to staggered four-year terms in non-partisan elections, appoints the City Manager. The Council meets on the second and fourth Wednesday of each month at 7:00pm in the Council Chambers, first floor of the Hamilton Municipal Building. The Council operates as the legislative branch of the City and directs the City Manager (executive branch) on how it wants to see the City progress. During the City Manager's absence, the Deputy City Manager/Managing Director of Operations acts as City Manager and performs a wide range of administrative and managerial functions as assigned by the Manager and Council.

Executive Assistant: Amy Bach

Chief of Staff: Aaron Hufford

Senior Project Manager: Mark Murray

BUILDING DEPARTMENT

A Department of External Services

Ken Rivera, Director/Building Official

345 High Street, 3rd Floor
Hamilton Municipal Building, 45011
Phone: 785-7360 Fax: 785-7359

Construction Permits – This department regulates construction of commercial and residential buildings. This department administers several codes including the building code, electric code, plumbing code, and mechanical code. Property owners and all contractors are required to submit plans and application before starting any work. The Building Department reviews the plans for code compliance and issue permits, which allows the work to begin. As construction proceeds, the department inspects the work for compliance with the approved plans.

Building/Electric Inspector: Dennis Ingram
Building/Plumbing Inspector: Darryl Rupert
Building/HVAC Inspector: Donnie Smith

CIVIL SERVICE AND PERSONNEL DEPARTMENT

A Department of Internal Services

Jeanne Pope, Director

345 High Street, 3rd Floor
Hamilton Municipal Building, 45011
Phone: 785-7186 Fax: 785-7037

The Department of Civil Service and Personnel maintains all employee personnel records, including vacation, sick, and personal leave records. This office coordinates the hiring process for new employees, makes sure that these people are signed up for employment, and know of their benefits. It also administers the health insurance policy for the city employees.

This department is responsible for administering Civil Service examinations, grading them, and preparing eligibility lists. The department performs all support activities for the Civil Service Commission, including minutes of all meetings.

The Department will serve as a resource to both employees and supervisors where they can ask questions about workplace policies, an employee relations resource for supervisors, and a source for employee development.

CUSTOMER SERVICE

A Division of Infrastructure

Marie Hibbard, Administrator

345 High Street, 1st Floor
Hamilton Municipal Building, 45011

Phone: 785-7100 Fax: 785-7135

Hours: 8:00 a.m. – 5:00 p.m., Monday – Friday

The Customer Service Division is responsible for the delivery of customer service to over 25,000 municipal and suburban (residential and commercial) utility customers. Utility services include electric, gas, water and water reclamation. The Division is also responsible for the billing of refuse service.

Major operations performed by the Division include:

New Service: This is the scheduling of all read-in and read-out service orders related to the establishment and/or termination of new or existing utility accounts, including the collection of deposits, when applicable. This area also administers the Budget Payment Plan and Qualified Payment Plan programs, and collects various gas, electric, water and wastewater tap, inspection and meter testing fees.

Credit/Collection: The collection of delinquent, active utility accounts. Also administers the City's credit arrangement program as well as various local, state and federal assistance programs utilized by the City, and is responsible for the initial collection efforts in regards to unpaid final bills.

Phone Center: Provides call center service for all utility customers. This includes answering billing related questions, processing new service or credit/collection arrangements, and collecting utility payments via credit card.

Billing: This involves the billing of all utility customers on a monthly basis. Customers receive one bill for all applicable service (electric, gas, water, water reclamation and refuse). In addition, Final bills, the refund of Final bills with a credit balance and all bill corrections are processed by billing personnel.

Cashier/Accounting: This involves the collection of utility payments and parking tickets via the following payment options: Cashier Operations on the 1st Floor of the Hamilton City Building, by standard mail (lockbox) service, Visa or MasterCard.

ECONOMIC DEVELOPMENT

A Department of External Services

Jody T. Gunderson, Director

345 High Street, 1st Floor

Hamilton Municipal Building, 45011

Phone: 785-7070 Fax: 785-7067

The Economic Development Department works to improve and promote Hamilton's economic climate. This mission is primarily accomplished through interaction with, and assistance to, existing businesses, the collection and dissemination of business and economic information, and the facilitation of the retention and creation of employment opportunities.

The department serves as a conduit to other City departments and activities. Economic Development works closely with the Greater Hamilton Chamber of Commerce/Hamilton Economic Development Corporation, several neighborhood business districts, industrial/commercial developers, regional and state economic development organizations to improve Hamilton's economic climate. Economic Development also provides administrative assistance to the Community Improvement Corporation of Hamilton, Inc. (CIC) and the Tax Incentive Review Council (TIRC).

The Department:

- Facilitates the retention and expansion of businesses and job opportunities
- Actively seeks to attract new businesses /investment to Hamilton
- Fosters vitality and success of neighborhood businesses and districts
- Aids in the development/redevelopment of Hamilton's industrial areas
- Acts as an informational and programmatic resource for business

This benefits Hamilton by:

- Improving the quantity/quality of employment opportunities in Hamilton
- Broadening the business tax base, reducing the tax burden on individuals
- Fostering a more diversified and stable local economy

Programs:

- Business Attraction Program
- Commercial Revolving Loan Fund
- Community Reinvestment Area
- Enterprise Zone Program
- Design Assistance Program
- Volunteer Program
- Business Retention and Expansion Program
- Tax Increment Financing
- Industrial Development Bond Financing
- Special Improvement District
- Brownfields Redevelopment

ELECTRIC DISTRIBUTION

A Division of Infrastructure

Donnie Watts, Superintendent

870 Hanover

Hamilton, 45011

Phone: 785-7550 Fax: 785-7559

This Distribution Division is responsible for the operation, maintenance and construction of the City of Hamilton's electric distribution and transmission systems. The system consists of about 70% overhead lines and 30% underground lines. We also maintain 14 miles of 138 kV line at the Greenup Hydro Plant.

This division provides special electric service to various community events, City festivals, and many other functions throughout the year. It maintains the street lighting system and assists the Chamber of Commerce with the installation and removal of banners. Each year it installs and removes the Christmas lights in the city.

ELECTRIC POWER SYSTEMS DIVISION

A Division of Infrastructure

960 N. Third Street, 45011
Phone: 785-7450 Fax: 867-7343

Electric Power Systems Division is responsible for overall operation of the City's electric transmission and distribution systems, as well as maintenance of all equipment in 14 electrical substations and the central business district underground network. Additionally, the Division maintains all electrical equipment at the Municipal Electric Plant and Hamilton Hydroelectric Plant, and provides technical advice and assistance to the Greenup Hydroelectric Plant as needed.

A 23-mile transmission loop, operating at 138,000 and 69,000 volts, encircles the entire City. A 138,000-volt interconnection with CINergy is located in the Southwestern Ohio Industrial District. Electrical power is provided to the transmission system by the Municipal Electric Plant, Hamilton Hydroelectric Plant, Greenup Hydroelectric Plant (via the CINergy interconnection) and/or purchases from other electric utilities (via the CINergy interconnection). The transmission system delivers this power to 11 distribution substations, where the voltage is transformed down to 13,800 or 4,160 volts and distributed to customers via overhead and underground lines.

ELECTRIC PRODUCTION

A Division of Infrastructure

960 N. Third Street, 45011
Phone: 785-7461 Fax: 867-7343

Electricity for the City of Hamilton is produced at two production facilities: the fossil fuel plant and the hydroelectric plants. A small hydro plant is located on site at the main plant. The purpose of the small hydro is to provide cooling water for the main plant. The plant consists of 75 Mw of coal-fired generation, 80 Mw of gas-fired generation and 1.5 Mw of hydropower.

ENERGY MANAGEMENT & UTILITY BUSINESS AFFAIRS

A Division of Infrastructure

Nathan Perry, Administrator

345 High Street, 4th Floor
Hamilton Municipal Building, 45011
Phone: 785-7243 Fax: 785-7232

This Division is responsible for the procurement of electricity and natural gas for the City and its approximately 25,000 customers. The Department conducts various rate analyses and provides administrative, financial and budgeting support for the Electric, Gas and Water Departments. The Department also administers a Key Accounts Program to foster better communications, improve product quality and provide exceptional customer service to our largest utility customers.

Phone: 785-7500 Fax: 867-7321

The primary mission of the Hamilton Fire Department is to provide services designed to protect the lives and property of the inhabitants of the City of Hamilton from the adverse effects of fires, medical emergencies or exposure to dangerous conditions created by man or nature.

Six fire stations are manned by three shifts of fire and EMS personnel. They operate 6 pumpers, 1 tower truck, and three paramedic units. Two reserve paramedic units can be manned with on-duty personnel.

There are several special response teams within the Fire and EMS services, a hazardous materials team, a water/ice rescue team, a confined space rescue team, and a rope rescue team. The Fire Prevention Bureau areas of responsibility include code enforcement, fire investigation, and public fire education.

GREENUP HYDROELECTRIC PLANT

A Division of Infrastructure

Kenneth Hilger, Hydroelectric Plant Superintendent

3263 Kenyon Rd

Franklin Furnace, Ohio 45629

Phone: 740-574-6985, Plant: 740-574-8427, Fax: 740-574-8252

The City's Hydroelectric Plant, located on the Ohio River at mile marker 341.5, provides approximately 40% of the City's electric consumption needs. It is a run-of-river operation with three horizontal bulb type generators and an output rating of 23.9 MVA each. Electricity is generated by turning the turbine, with a water force from up to a thirty-foot drop, with flow capacities from 4,500 cubic feet per second to 36,000 cubic feet per second.

This plant was totally prefabricated and shipped from France and placed into operation December 1982. The City has owned and operated the plant since May 1988. It is operational 24 hours a day, year round. Public fishing access is available on the downstream side.

NEIGHBORHOOD DEVELOPMENT

A Department of Internal Services
345 High Street, 4th Floor
Hamilton Municipal Building, 45011
Phone: 785-7020 Fax: 785-7019

The Mission of the Neighborhood Development Division (NDD) is to provide decent, affordable housing, economic development opportunities, neighborhood improvements, and community development services primarily for lower income citizens.

NDD uses Federal Community Development Block Grant (CDBG) and HOME funds to administer a broad range of programs. The Division is responsible for involving citizens in planning efforts related to the proposed use of the Federal funds and for meeting performance standards required by the U.S. Department of Housing and Urban Development (HUD).

NDD operates some programs directly to provide home repair assistance and to purchase property for future development. In addition, the Division provides funding to nonprofit agencies and other City Departments for eligible activities including, but not limited to:

Job training, small business assistance, fair housing, senior services, services for homeless persons, drug abuse counseling/treatment, street resurfacing, park improvements, demolition of dilapidated buildings, historic preservation, and handicapped accessibility.

Sr. Neighborhood Development Specialist
Duronna Smith

PARKS CONSERVANCY

Steve Timmer, Director

106 N. 2nd Street
Hamilton Ohio 45011
Phone: 785-7055
Hours: M-F 8 AM to 4:30 PM

In early 2015, the independent, non-profit Parks Conservancy was created to operate and maintain the City of Hamilton's 1,300+ acres of parks. Included in this acreage are: four large picnic parks, one regional park, one community center, two boating facilities, over thirty baseball/softball diamonds, twenty-one soccer fields, one football field, thirteen outdoor basketball courts, ten tennis courts, one radio controlled model airplane field, one radio controlled model car track, one B.M.X. bike track, a skate park and three nature areas.

The division is also responsible for the reservations of picnic shelters and the Michael J. Colligan Lodge as well as logistics of festivals and special events: Independence Day, Holiday Tree Lighting and Icefest.

The Parks Conservancy's mission is to enhance the quality of life of the community by providing diverse recreational facilities, programs and services and preserving and developing its natural resources.

Office Manager – Audrey Baker

PLANNING

A Department of External Services

Liz Hayden, Director

345 High Street 3rd Floor
Hamilton Municipal Building, 45011
Phone: 785-7350 Fax: 785-7349

The Planning Department is involved in land use management, community development, research, and a wide variety of other planning-related tasks.

The Planning Department provides technical assistance and services including, but not limited to:

- Zoning, Subdivision and Land Development
- Issuance of Zoning Certificates
- Historic Preservation
- Studies/Reports (on various planning-related topics)
- Land Use Information
- Mapping – GIS
- Population/Economic/Social (Census) Information
- Alley/Street Vacation and Renaming
- Lot Splits/Combinations
- Urban Renewal Property Sale Agreements

Zoning Code – Planning also administers the Hamilton Zoning Code. The Zoning Code regulates how property can be used. The Zoning Code also regulates how close structures can be built to property lines, how much off-street parking is required for a specific use, and the number and sizes of signs for businesses and industries. This department also investigates citizen complaints of alleged violations to the code.

Flood Regulations – Planning administers the Federal Emergency Management Agency (FEMA) flood regulations for the City of Hamilton. Plans and applications for any excavation, alterations, or improvement within the flood zone are required to be submitted for review and approval in accordance with the FEMA requirements.

City of Hamilton Directory

PUBLIC SAFETY

J. Scott Scrimizzi, Executive Director

345 High Street, 4th Floor
Hamilton Municipal Building, 45011
Phone: 785-7181 Fax: 785-7010

The Executive Director of Public Safety reports to the City Manager and is responsible for the efficient and effective operation of the Police, Fire and EMS Divisions. The Executive Director provides supervision of the Chief of Police and the Fire Chief while managing and leading the operational activities related to the public safety functions for the City of Hamilton.

PUBLIC WORKS DEPARTMENT

A Division of Infrastructure

Jim Williams Director

2210 S. Erie Blvd.
(Municipal Garage), 45011
Phone: 785-7550 Fax: 867-7309

This department's responsibilities include municipal engineering, traffic and transportation engineering, maintenance of the street system, design and maintenance of the storm sewer systems, operation and enforcement of parking and the municipal parking garage, management of the refuse and recycling collection and disposal services, and vehicle fleet maintenance.

Administrative Secretary:
Kim Preston

Field Services Superintendent:
Mike Gurr

PURCHASING

A Department of Internal Services

John Hoskinson, Purchasing Agent

345 High Street, 4th Floor
Hamilton Municipal Building, 45011
Phone: 785-7140 Fax 785-7146

The Purchasing Division purchases and oversees the purchase of supplies, materials, equipment, services and public improvements for all City departments. The Division is also responsible for the disposal of all surplus City property, real and personal. All formal bids are posted on the Internet through a link on the City's website.

The Division is also responsible for the following functions:

Building Services: Responsibilities include making minor repairs to the various City buildings and leased spaces and overseeing all contractors on major City building repairs. Included within Building Services are the Mail Room and Print Shop operations. These operations are responsible for all incoming and outgoing mail, all in-house printing needs, utility bill processing.

City Storeroom: Main responsibilities include ordering, receiving, stocking and distributing various materials and supplies for City Utility distribution operations.

| ▪ 2500 fire hydrants | |

This Department is responsible for overseeing the City's participation in wellhead protection efforts. Utility Operations is also responsible for the operation and maintenance of the Water Reclamation Facility as well as environmental services related to the water and water reclamation facilities.

Administrative Assistant: Kim Kirsch

Wellhead Protection: Tim McLelland

City of Hamilton Directory

WATER PRODUCTION

A Division of Infrastructure

John Bui, Superintendent

South Plant – 5140 River Rd., Fairfield, OH 45014
Phone: 785-7430 Fax: 867-7308

North Plant – 1206 N. Third St. 45011
Phone: 785-7435 Fax: 868-7355

One Renaissance Ctr., 345 High Street, Hamilton 45011

The North Plant was built in 1935 with additions in 1988 and 2001. The original design capacity was to treat six million gallons of water a day. There are five production wells on site capable of producing over twenty three million gallons of water a day. This plant is used on an as needed basis.

The South Plant was built in 1956 with additions in 1972 and 1994. The South Plant is now designed to forty million gallons of water a day. The plant is a twenty four-hour a day operation and is supplied by sixteen wells capable of producing over fifty-two (52) million gallons of water per day. The Federal Government installed nine of the South Plant wells in the early forties to serve the Wright Plant, later known as General Electric, located in Evendale, Ohio.

The Water Production Division is responsible for two underground storage reservoirs, five elevated tanks, one standpipe, six booster stations, five pressure-reducing stations and seven spent lime lagoons.

Water Production & Water Reclamation Operations Supervisor: Danny Knife

Operators:

Greg Fletcher
James Gill
William Gutzwiller
Don Hughes
Donald Pease
Vincent Rizer

Maintenance:

Ron Angst
John Hoffman
Jay Mosley
Sam Peters

Electricians:

Marc Arminio
Shane Jones
Eric Sherman

WATER RECLAMATION

A Division of Infrastructure

David Jenkins, Superintendent

2451 River Road, 45015

Phone: 785-7410 Fax: 868-5965

The Water Reclamation plant treats an average of 11.5 million gallons of wastewater each day. Up to 62 MGD can receive treatment during storm events. About 17 dry tons of solids are removed from the wastewater stream daily and reused to benefit the environment. Most are composted; the remaining solids are stabilized with lime and applied to agricultural land. Wet operations at the plant continue 16 hours a day, 7 days a week. The Compost Facility is staffed 8 hours each day, five days a week. Administrative hours are 8:00 a.m. until 4:00 p.m. Monday thru Friday.

The Laboratory personnel perform tests and analyses on and for plant functions, regulatory reporting, and plant process control for Water Production and Water Reclamation. The lab handles the majority of the water quality complaints and provides general analytical support to various City Departments.

Water Production & Water Reclamation Operations Supervisor: Danny Knife

Administrative Assistant:

Kim Kirsch
